

# Nazareth Ice Oasis Youth Hockey

## Fall/Spring 2009-2010

### **HOCKEY PROGRAMS**

**House League:** Mites, Squirts, PeeWees/Bantams. Games and practices are played Nazareth Ice Oasis in Redwood City. Games will be held on Tuesdays/Thursdays, with Practices being on Sunday Mornings. Evaluations and Team Formation will be held in late September (see website for Schedule details). It is recommended that skaters have 'graduated' from the Instructional Program.

**Program duration: Late September – March (One Hour Practice and One Game Weekly) 22 weeks**

**Cost: \$650 per player**

**Midgets / D1 /High School:** This team will be playing all of their games in the HP/Sharks High School Hockey League. However, practices will be conducted here at Nazareth Ice Oasis before the League starts in December and through the duration of the season. We also want to have the high school team participate in tournaments, which then includes extra practices or on-ice instruction. Our goal is to promote camaraderie while offering them additional hockey at a competitive cost. The program cost includes 1 hour and 15 minutes of practice per week.

**Program duration: October – May (1 hour 15 minute practice weekly)**

**Cost: \$350 per player**

**Plus:** The HP/Sharks High School Hockey League registration fee, which includes jerseys and socks, is estimated to be \$400 per player, based on a 16-player roster.

**Black Star Tournament Teams:** The Black Star tournament teams are an additional option for our in-house players. It is encouraged that the participants in the tournament teams be also enrolled in the house leagues. With the tournament teams there is an additional 1:15 practice a week, with exhibition games being set up at least once a month. There are 3 mandatory tournaments for these teams as well. For further information about the tournament team, please see the Black Star Tournament Team flyer or email [cknight@iceoasis.com](mailto:cknight@iceoasis.com).

**Program duration: October – May (1 hour 15 minute practice weekly)**

**Cost: \$350 per player**

**Note:**

**USA Hockey Registration is required for ALL Youth Hockey Players.**

## **Black Stars Tournament Team**

Nazareth Ice Oasis is proud to bring back a traveling option for the kids involved in our program. While this is not a true travel program in the sense of competing within NORCAL, we will be traveling and playing teams from other rinks. Our mission is to further develop our players' hockey skills, emphasize sportsmanship, and have fun in the process.

The format for each team will consist of a guaranteed one full-ice practice per week, plus additional off-ice workouts. We also plan on having 1 exhibition game a month, with the possibility open for additional exhibition games. These exhibition games are subject to the availability of rival teams and extra ice-time.

Our goal is to participate in three mandatory tournaments. The first tournament will be our very own Turkey Tournament in November. The next tournament is the Santa Rosa Wine Country Face-Off during President's Day weekend. Finally, we will participate in a Memorial Day tournament - final location to be advised.

This tournament team will focus on developing the skills and talents of the kids beyond what they are currently learning in the in-house program. Individual goals and Team goals will be set for everyone before each tournament, giving parents, coaches, and more importantly the kids the ability to progress and know what skills they need to work on most. Feedback for the parents and kids will also be held after each tournament and at the end of the season to evaluate progress and discuss new goals.

We are looking to form at least two tournament teams within the rink. We would not close the option for a third team, but we feel that we are best suited for the Squirt age group and the High School age group as well. We would be exploring other age groups, but we feel this is where we are the strongest.

If you are interested or have more questions about the tournament team please contact [cknight@iceoasis.com](mailto:cknight@iceoasis.com).
